## Personally Selected Produce!

What makes Acme's fruits and veggies fresher? Acme experts start with the best product by partnering with the best farms in the country. Each fruit and vegetable is personally selected by our produce experts before it makes it into our fresh market stores. The careful attention to each fruit and veggie continues, as our in-store produce specialists personally place each piece of produce daily, removing bruised or soft product as they go. I invite you to shop Acme Fresh Market - come see the details that make a difference!
